4  2  4 

Built in 1950 by the owner's parents, this authentic character home has hardwood floors and original features in the kitchen and bathroom.

There is an expansive panelled window overlooking the garden beds at the rear of the house and adjacent is a large laundry which doubles as a butler's pantry.

The rooms are well-lit with double-aspect windows or glass doors.

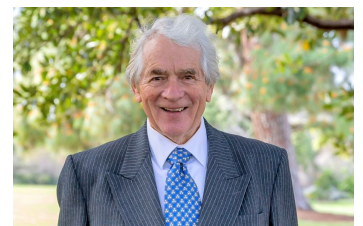

There is reverse cycle air-conditioning in both buildings.

The garden is well-established with trees, bushes and flower beds, and has been lovingly tended for many years.
